

This will print 3 small notecards per page for all of your crochet gift projects. I recommend using medium weight card stock paper. These graphics were given to you as a gift and are intended for personal use only. Please do not use the the graphics or the cards for profit and/or copy, duplicate or alter the graphics to pass off as your own work. Thank you. Check often at <http://nightowlsmenagerie.blogspot.com> for more to come.
